MARKETING PLAN

Vestige offers very rewarding bonuses for your untiring efforts in promoting the business. Vestige Marketing Plan is specifically designed with the view of providing an equal business opportunity; it is an Accumulative Plan, where you never slide down from your existing level and ascend higher on the ladder of success.

Nine ways to earn income

1. Savings on consumption – 10 – 20%
2. Performance Bonus – 5 - 16%
3. Director Bonus – 15%
4. Team Building Bonus – 3%
5. Leadership Overriding Bonus – 18%
6. Travel Fund – 3%
7. Car Fund – 5%
8. House Fund – 3%
9. Elite Club Bonus – 2%

Savings on Consumption 10-20%

As a distributor, you save this amount as the difference between MRP and Distributor Price. Vestige offers a retail profit from 10 to 20% on most of the products.

The following example helps explain the saving.

Distributor Price + Saving = MRP

In a business month, if you buy Vestige products worth Rs. 10,000 for self-consumption you save up to Rs. 2000 for yourself

Performance Bonus 5-16%

A distributor has to qualify for getting the performance bonuses and is entitled to earn the bonuses according to the level qualified. Vestige offers very rewarding performance bonuses, which are amongst the best in the world of direct selling. To earn this performance bonus, the qualifying level of Point Value (PV) has to be accumulated.

Performance Bonus (PB) Schedule — 5-16%

PERFORMANCE BONUS LEVEL	ACCUMULATIVE PV		% EACH
	MIN	MAX	
Distributor	1	599	5
Senior Distributor	600	2,399	8
Assistant Bronze Director	2,400	5,499	12
Bronze Director	5,500	—	16

To receive performance bonus for a given business month, distributors must do personal purchase (at distributor price) of the following value in the business month:

- a) Distributors who earn up to 12% payout - 20 PV
- b) Distributors who earn 16% payout - 40 PV

If in any case a distributor fails to make personal purchase, the bonus earned in that business month is carried forward and is released in the business month, when distributor makes the required personal purchase.

FAST START 8%

When a distributor does a GPV of 282 in a single business month before reaching 8% level then he/she is granted a special growth and the level of 8%. If a qualifying distributor has a downline also qualifying for Fast Start 8%, then the upline distributor has to maintain personal PV of 282 from other lines.

The examples given below are meant for PV:BV ratio of 1:18 and payout in Indian Rupees. The PV:BV ratio may be different in other countries. Bonus Payout in all countries will be calculated based on their respective PV:BV ratio.

Example 1

How do you calculate these performance bonuses? The following examples will explain the calculations in PV only.

Let us assume that in 1st business month of your joining, you have sponsored three of your friends as your downline distributors.

Your Personal PV	300
Your downline A has PV of	300
Your downline B has PV of	1,000
Your downline C has PV of	1,000
Your Group Point Value (GPV)	2,600

Your Group is entitled to 12% performance bonus
 $= 2,600 \times 12\% = 312 \times 18 = \text{Rs } 5,616$

Rs 5,616, will be divided among your downlines according to the levels of their achievement.

A who is qualified for 5% gets $300 \times 5\% = 15 \times 18 = \text{Rs } 270$

B who is qualified for 8% gets $1,000 \times 8\% = 80 \times 18 = \text{Rs } 1,440$

C who is qualified for 8% gets $1,000 \times 8\% = 80 \times 18 = \text{Rs } 1,440$

Rs 3,150 is distributed to your downlines and the balance Rs 2,466 is your earning for the business month.

Example 2

Let us assume that in the second business month you and your downlines have done the following business:

Your Personal PV	300
Your downline A has PV of	300
Your downline B has PV of	1,500
Your downline C has PV of	1,500
Your Group Point Value (GPV)	3,600
Your last business month's Group Point Value (GPV)	2,600
Your cumulative GPV	6,200

You are paid on the Point Value (PV) which you have generated in the current business month, whereas previous business month's PV is added to determine the levels. Your Group is entitled to 16% performance bonus $= 3,600 \times 16\% = 576 \times 18 = \text{Rs } 10,368$

Rs 10,368 will be divided among your downlines according to the levels of their achievement. Let's see how your downlines earn their bonuses:

Distributor A

Last business month's PV	300
This business month's PV	300
Cumulative PV	600

A is now qualified for 8% on this business month's PV gets $300 \times 8\% = 24 \times 18 = \text{Rs } 432$

Distributor B

Last business month's PV	1,000
This business month's PV	1,500
Cumulative PV	2,500

B is now qualified for 12% on this business month's PV gets $1500 \times 12\% = 180$

$180 \times 18 = \text{Rs } 3,240$

Distributor C

Last business month's PV	1,000
This business month's PV	1,500
Cumulative PV	2,500

C is now qualified for 12% on this business month's PV gets $1500 \times 12\% = 180$

$180 \times 18 = \text{Rs } 3,240$

Rs 6,912 is distributed to your downlines and the balance Rs 3,456 is your earning for the business month.

This way your Point Value gets accumulated month after month. In Vestige, everyone can achieve the Bronze Director level and our levels are permanent.

The above examples are meant for mathematical illustration only. Performance Bonus is only paid when personal targets are met.

MARKETING PLAN

Fast Start Bronze Director

If you achieve 4,500 PV in a single business month, you qualify as a Fast Start Bronze Director. This entitles you to 16% performance bonus and BDB.

You can maintain your Bronze Director Level with 2001 PV like the old plan.

For first time Bronze Director level, you have to maintain your level without any 16% leg.

Director Bonus (DB) 15%

Vestige allocates 15% of the Company's monthly PV as Director Bonus (DB). This is computed by a "Point Sharing System" based on the Director Bonus points earned by the qualifiers. DB Point value varies each business month and is computed monthly as per the formula shown below:

$$\frac{15\% \text{ of Company's monthly PV}}{\text{Total DB points collected}} = \text{DB point value}$$

Team Building Bonus (TBB) 3%

Vestige allocates 3% of the Company's monthly PV as Team Building Bonus (TBB) to Bronze, Silver and Gold Directors*. This is computed by a point sharing system based on the points earned by the qualifiers. TBB point value varies each business month and is computed monthly as per the formula shown :-

$$\frac{3\% \text{ of Company's monthly PV}}{\text{Total TBB points collected}} = \text{TBB point value}$$

*For Silver Directors and Gold Directors, no LOB is required. The bonus amount will be reimbursed monthly.

Non-qualified 16% legs will also be considered.

Eligibility will be based on monthly level, not permanent level.

[#]Those with permanent levels of Star Directors and above cannot avail TBB.

Leadership Overriding Bonus 18%

Leadership overriding bonus (LOB) is payable to Silver Directors and above[^]. The LOB calculation will be done as per the realtime monthly level of the distributor. To qualify for LOB all qualifiers must be a Silver Director with 5,625 PV from a single leg with at least one qualified Bronze Director.

If your Bronze Director downline does not have a GPV of 5,625 then GPV of qualified/unqualified directors is compressed down till 5,625 GPV is achieved. LOB is also based on point value system and then value of the point is determined according to the formula shown on the right -

$$\frac{18\% \text{ of Company's monthly PV}}{\text{Total LOB points collected}} = \text{LOB Point Value}$$

The LOB is calculated as per the table shown below ~

STATUS	DIRECTOR GROUPS	QUALIFYING CONDITIONS	LEADERSHIP BONUSES IN %							
			SD	GD	STAR	DD	CD	UCD	DCD	DUCD
Silver Director	1	GPV 5,625	5							
Gold Director	2	GPV 5,625	5	5

Double Universal Crown Director	16 / 6**	GPV 5,625	5	5	5	4	3	2	1	.5

[^] Now Diamond Directors and above, whose downlines are maintaining the same level, will get 1+4 depth LOB.

Travel Fund (TF) 3%

Vestige provides a Travel Fund (TF) from Silver Director to Double Universal Crown Director level. The TF allocates 3% of company's monthly total PV and is computed by a "Point Sharing System" based on the Travel Fund points earned by the qualifiers. TF value per point will vary each business month and is computed monthly as per the formula shown below :

$$\frac{3\% \text{ of total Company's monthly PV}}{\text{Total Travel Fund points collected}} = \text{TF Point Value}$$

Allegations against distributor(s) for contravening this rule shall be investigated and appropriate action will be taken.

9 Cross Sponsoring/Multiple IDs

No Cross Sponsoring of distributorship shall be allowed. "Cross Sponsoring" in this context means:

- a. Signing up an existing distributor from another group.
- b. Signing up the wife when the husband is already a distributor or vice versa.
- c. Signing up under another sponsor to operate his/her new distributorship when his/her previous distributorship is still valid.
- d. Allowing other people or relative to use his/her distributorship to do business.
- e. If son or unmarried daughter joins the business with their own ID but their line of sponsorship is not under their family* ID, then such a case will be treated as cross sponsoring and the ID taken by son/unmarried daughter will be terminated.

Same will apply for any of the family members not joining under their son/ unmarried daughter's line of sponsorship.

In the event of Cross Sponsoring or in the event of a distributor using a second or multiple IDs, the following procedure shall be followed:

- (i) If an active distributor is found promoting a network in another line of Sponsorship including but not limited to promoting the network of a blood relative/relative/acquaintance or Company/firm/entity/enterprise (whose beneficiary is any of the listed above), at any Vestige event/office/DLCP, on social media or any other location, then the Company will take appropriate action against that distributor. Once the other ID/IDs for which the distributor has been doing activities/promotion is identified, the ID/IDs for whom the distributor is doing activities/promotion will be terminated and the network under the ID/IDs will move up to the next higher id.
- (ii) In the event any distributor is found doing activity in any network including but not limited to promoting the network of a blood relative/relative/acquaintance or Company/firm/entity/enterprise (whose beneficiary is any of the listed above), at any Vestige event/office/DLCP, on social media or any other location, during the cooling off period (within six months of resigning –termed as inactivity rule or period), the related ID will be treated as a second ID and the same will be terminated and the network under the ID/IDs will move up to the next higher id.
- (iii) Appearance in any form of meetings offline or at any digital platform, etc., within the cooling off period of resigning, will render the resignation of the distributor in question nullified due to violation of the inactivity rule. The distributor's "cooling off" period will be recounted from the date of the second ID's termination.
- (iv) The Company will take strict action for Cross Sponsoring as per the above rules. In addition the Distributor who was involved in Cross Sponsoring will be severely warned and fined/suspended for such activities. If the Distributor does not stop such activities the Company will terminate the distributorship and also withhold the Bonus payment of any distributor who is found continually doing Cross Sponsoring of any other existing Distributors. In addition if the distributor is running any DLCP/MINI DLCP/DCC, the same will also be closed down by the Company.
- (v) After resignation/termination the network will go to his/her direct upline, subject to Renewal/Reconciliation/vacancy Policy of the Company.
- (vi) If the Company receives a complaint within twelve months of Cross Sponsoring, and after investigation it is found that the complaint is valid, then the Company will terminate the second/late ID/IDs of the distributor and the network developed under the second/late ID/IDs will be shifted under the first ID or can remain under the terminated ID as per the decision of the management.
- (vii) However, in a situation, when the complaint against a distributor regarding Cross Sponsoring is filed within twelve months, but the ID/IDs are not identified within the same period, then the complainant must submit the details of such ID/IDs within three months of filing the complaint. The Company will take action as per above clause (vi) after getting the details of other ID/IDs.
- (viii) If the complaint is received after more than twelve months of a distributor taking other ID/IDs, the same will not be entertained. On receipt of such complaint, the Company will terminate one of the IDs of the distributor, which ever the company may deem fit, and the network will remain with the active ID.
- (ix) If any distributor is found taking different IDs, the Company will take strict action against the distributor which can also lead to the termination of all the IDs, as and when they are discovered.

In case the Management finds out that the registration of a distributorship/ second ID was done through unethical means, or without the distributor's consent/knowledge, or by submitting illegible/invalid documents, then the Company will terminate the ID/IDs, which the management may deem fit and the network of such terminated ID/IDs will move up to the next higher distributor. In addition, the distributor who initiated the above mentioned activities will be subjected to disciplinary action by the Company that may result in the Company suspending/terminating/withholding bonus payments of the distributor and/or imposing a fine on the distributor.

The Company shall be free to decide the appropriate penalty in all cases of Cross Sponsoring/Multiple IDs and its decision in this regard shall be final.

10 Place Order

The distributor has to place order (with PV, excluding orders on Vestige Best Deals) within 35 days of joining. If the order is not placed then it will result in distributor's application not being accepted by the Company and the ID will be rendered invalid.

11 Inactive Distributor

Irrespective of the level attained, if a distributor does not place any order in preceding twenty four months or more, since the DAF was entered or since the last purchase by the distributor, then the Company reserves the right to take a decision (including termination) regarding the distributorship of the said distributor. If the distributor does not place any order with the Company for the preceding nine months, the distributor will be termed as an "Inactive distributor". After completion of inactive period the distributor can join under any of the distributors, and can take a fresh ID.

However new id if taken under Family* must be in the same line of Sponsorship. If any distributor takes a fresh ID after an inactivity period of nine months, then the first ID will be treated as invalid.

12 Expiry/Cancellation/Resignation/ Succession of Distributorship

a. Any distributor may resign from distributorship by submitting an application and required documents. Acknowledgement of receipt of such communication constitutes resignation. A person who resigns or whose distributorship is cancelled/terminated may reapply for distributorship only after a lapse of a period of 6 months (cooling period) from the date of resignation/cancellation/ termination of his/her last distributorship. The fresh distributorship may be granted by the Company after reviewing the application.

In such cases the person cannot have any claim whatsoever over the downline(s)/business he/she had prior to reapplication of the distributorship.

b. In case a distributor resigns for certain unforeseen circumstances, subject to Company's satisfaction, he/she may transfer the distributorship to his/her blood relative only (proper proof and documentation required).

c. Distributorship in ordinary circumstances expires upon death or proven incapacity of the distributor. However, nominee of the deceased upon evincing interest to succeed distributorship may be allowed by the Company. In cases where the nominee does not come forward till 3 months from the date of death or incapacitation of the original distributor as the case may be, successor of the deceased upon submitting appropriate documentation and evincing interest to succeed distributorship may be allowed by the Company. However, under no circumstances such distributorship will be entertained after 6 months from the date of death or knowledge of incapacitation of the distributor either from nominee or successor.

d. Distributorship may be cancelled/terminated, declared unclaimed or suspended by the Company for the reasons mentioned in the Company's Policies/Rules and Regulations.

13 Marriage

a. The Company treats wife and husband as one single unit for the purposes of distributorship.

b. In situations where two independent existing distributors marry each other, upon marriage both of them are deemed to have surrendered their distributorship. The distributors who are married to each other, shall separately intimate to the Company about their marriage within 30 days from the date of their marriage. Subject to conditions of other sub-clauses of this clause one amongst them ought to resign within 30 days from the date of marriage, failing which distributorship of both distributors shall be cancelled. Original downline structure of the distributor who resigns for reasons of marriage in terms of this sub-clause shall remain unchanged. However, to maintain relationship with the Company and to conduct Vestige business, the Couple may form a 'partnership firm' in lines of the model 'deed of partnership' prescribed by the Company for the purposes of common distributorship, and submit the same under cover of a joint application seeking distributorship for such 'partnership firm' within 30 days of their marriage. This partnership will replace the distributorship of the distributor who does not resign and the Structure will remain unchanged.

c. Upon marriage amongst two existing distributors and they being given 'partnership' (irrespective of their cadre / level), they shall have a joint bank account and inform such particulars to the Company within 60 days from the date of marriage. The Company upon receipt of such intimation shall credit payouts / bonus earned by the 'partnership' in such account. If the account is not opened, no Bonus will be paid out by the Company and the Partnership firm will have no lien on the Bonus earned for the period. However, this sub-rule will not be made applicable for distributor couples who are both Star Directors and Car Fund Achievers unless of course they want such an arrangement.

d. If both distributors are Star Directors and Car Fund Achievers, then their individual distributorships may separately be retained at

original status. However, one amongst the two may resign from distributorship / Star Directorship and the couple may apply for a single distributorship through 'partnership' (comprising both of them as partners). This partnership will replace the distributorship of the distributor who does not resign and the Structure will remain unchanged. In such cases, original downline structure of the distributor who resigns for reasons of marriage in terms of this sub-clause shall remain unchanged. Even in this case both of them shall separately intimate the Company about their marriage within 30 days from the date of their marriage.

e. In case such couple does not form any 'partnership firm' within 30 days from their date of marriage or either of them does not inform factum of their marriage to the Company, the Company reserves the right to cause appropriate changes in their downline/network and merge their business(s) of two distributorships into one with conditions as may be deemed appropriate to the Company and/or cancel distributorship of one or both as per its discretion.

14 Separation

In case of divorce amongst couples having distributorship through 'partnership firms' formed as aforesaid, benefits of distributorship and the distributorship itself shall be apportioned or transferred as the case may be in terms of the 'deed of partnership'. Such changes in distributorship of the 'partnership firm' shall be caused by the Company only on completion of 90 days after receipt of the 'decree of divorce' granted by a competent court. The distributorship of the partnership firm of the couple shall be put under suspension with effect from the date of commencement of divorce proceedings between the couple and during pendency of divorce proceedings, the Company in its discretion, may as a special arrangement, allow (without insisting upon lapse cooling period) both parties do Vestige business separately as freshly appointed distributors. After the judgment of the court, the suspension of the spouse in whose name the court has approved for distributorship to be continued, can continue as a distributor; and the partnership will stand dissolved. In case the judgment is silent on the issue, the distributorship under partnership will stand terminated.

In cases where a married couple is distributor and co-distributor and any of them files a petition for divorce, the Company shall only consider the distributor as its principal distributor and no rights shall accrue to the co-distributor except when a decision is taken on the issue of succession of distributorship by an appropriate court (whether interim or final). However, this shall be subject to a final decision by the Company.

15 Waiver

a. The failure of the Company to exercise any rights stated in the Company Rules and Regulations or in the Distributor Application Agreement shall not constitute a waiver of the Company's rights to demand exact compliance therewith.

b. Any waiver by the Company can and shall only be affected in writing by authorised personnel of the Company.

c. The Company reserves all rights to take all decisions which it feels are necessary to protect the best interests of its distributors, customers and its business including decisions concerning implementation of this Business Plan. The Company's decision in this regard shall be final.

16 Prohibited Act
