Vestige Dietary Fibre

- A special blend of 3 natural soluble fibres
 - Chicory root extract – a vegetable root
 - Maltodextrin – obtained from starch
 - Guar Gum – extracted from guar beans
- Soluble fibers attract water and form a gel, which slows down digestion thus helps control weight
- Chicory root extract contains inulin which is the main source of fibre
- It is a low calorie yet high fibre root extract that adds to the daily requirement of fibre to maintain digestive health
- Inulin is a prebiotic, meaning that it supports the presence of beneficial bacteria in the digestive system

Leading Ladies

Never let life disappoint you. Overcome and succeed, instead.

W SELVI
Crown Director
Salem, Tamil Nadu

The things I like best about Vestige are the very qualities that make it such a great company: its professional system, great rewards, opportunities to meet new and interesting people and, most importantly, the fantastic benefits of its products. Through my work, I have bettered the quality of my life substantially, and travelled across the world.

At home and among my friends, I have gained respect; in my career, satisfaction; and in my life, happiness.

I've only studied till the sixth standard, but Vestige gave me the perfect platform from which to upgrade my skills, and to fully exploit my aptitude for motivating people – to the extent that today, despite my limited education, I earn more than many graduates. Moreover, the great managers, incentivising reward system, and interesting work have kept me engaged and encouraged.

Vestige empowered my transformation from a housewife to an entrepreneur, leading a successful, independent and wholly satisfied life.

If I can achieve all this, so can you. I wish you Wellth!

D KARPAKAM
Crown Director
Chennai, Tamil Nadu
